WORK EXPERIENCE

01/07/2020 – 30/01/2021 – Rio das Ostras
WEB DESIGNER – MUDE SOLUÇÕES EM MARKETING

Mude Marketing was a marketing agency that sold websites to other companies. In this company I worked with WordPress html and css.

05/01/2020 – 30/06/2020 – Rio das Ostras, Brazil
INTERN FRONT-END DEVELOPER – DEEPROCKET

Deeprocket was a software house, the company sold programs to other companies. The project I worked on was for political management, for the candidate to connect with his voters and have an official portal to try to fight fakenews. Unfortunately the project was discontinued. I learned a lot in this company my job was to make the pages in html, css and js but they started to teach me about react and they always pushed me to new challenges.
